Dear Mr. Fong,

The Société du Palais des congrès de Montréal (**Montréal Convention Centre**) is pleased to present you with a proposal to host the 85th World Science-Fiction Convention (WSFS) in 2027.

Welcoming your participants at the Palais des congrès de Montréal (**Palais**) would be an honor for all of us in Montréal, and you can rest assured that our team of professionals will contribute in every way possible to the success of your event.

The Montréal-Trudeau International Airport is within a 20-minute drive from the Palais. Of the 16,000 hotel rooms available in downtown Montréal, 4,000 enjoy weather-protected access to the Palais, many being next door neighbors.

The Palais is located in the heart of four city districts and visitors can easily access the Quartier International, Chinatown, Old Montréal or the downtown business core. At our doorsteps, you will also find a large number of restaurants, museums and heritage attractions to entertain your participants (see the [web link](#)).

Reserved Dates

The dates reserved to host your event are Monday, August 30 to Tuesday, September 7, 2027.

Reserved Space

The space reserved to accommodate your program is outlined in the *Room Reservation Plan* dated June 11, 2024, attached herewith. Please note that the space is reserved on a first option basis until September 30, 2025.
