Add new memberships

First Step - WSFS Membership

Everyone 13 years and over must have a WSFS membership. This is optional for those under 13, but would enable the child to access WSFS benefits, such as voting in the Hugo Awards and Site Selection.

To add your WSFS membership to your cart, click the blue [WSFS Membership (50.00)] button below. Then you will see the various options for attending supplements. The sum of the cost of your WSFS membership attending supplement will equal the total price of the membership as described on the convention website.

NOTE: If you do not see the [WSFS Membership (50.00)] button below, it means you already have a WSFS membership. If you have not already purchased an attending or virtual supplement, you will see options for doing that below, as well as options to donate to the convention or community fund. If you already have an attending or virtual supplement, you will see options to upgrade it to a different level, as well as options to donate.

If you do not need to do any of those things, scroll to the bottom of the page and click the “Save the cart...” button to return to the home page.

If you are purchasing a site selection token, scroll to the bottom of this page and select **Site Selection Token** to continue.

Next Step - Choose How You want to Attend

FULL MEMBERSHIPS:

If you are an adult and plan to attend the convention for four or more days, or would like to attend virtually, choose the appropriate attending supplement. After selecting **WSFS MEMBERSHIP**, the Attending Membership choices will be displayed.

Attending memberships include Friend Of Worldcon, Adult Attending, Adult Attending - Reduced Rate, and Virtual.

- Friend of Worldcon membership supports our ability to offer lower-cost memberships levels to others for purposes including attracting first-time and younger Worldcon members and for purposes of equity and inclusion.
- Adult Attending membership is our standard membership.
- Reduced Rate membership is for first-time Worldcon members and individuals who would feel constrained to attend at the regular rate.

All attending memberships offer full attending access and virtual convention activities.

The Virtual membership offers access to virtual convention activities.

Children and teens do not require WSFS memberships, but may

Click on the Site Selection Token button.

DAY ATTENDEES:

If you would like to attend only for selected days, you do not need a WSFS membership unless you want to participate in WSFS business (Hugo Award voting, business meetings, and site selection). Please note that if you would like to attend for four or more days, it will be cheaper to purchase a WSFS attending membership supplement.
