Final Ballot Statistics

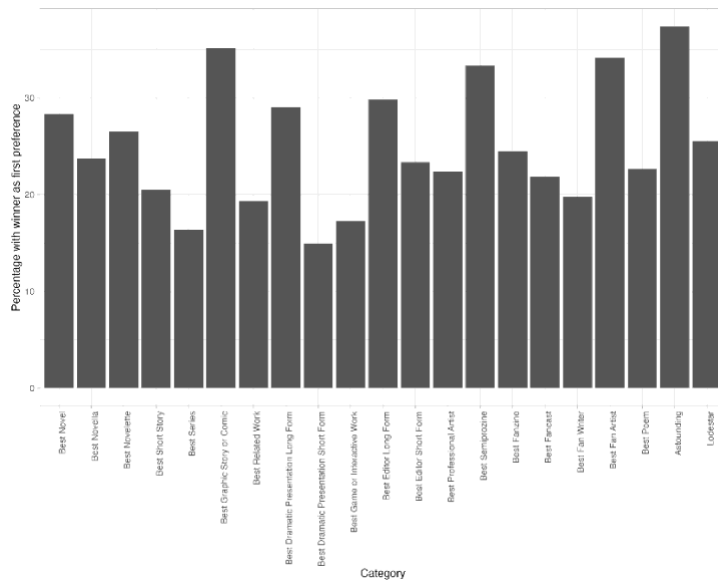

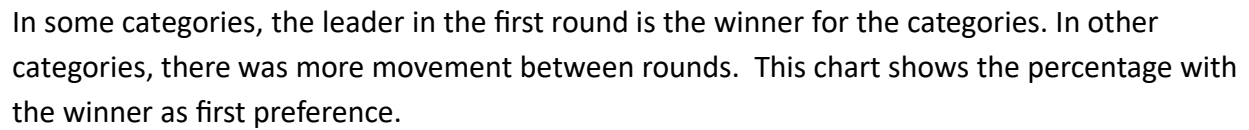

In the following tables for each category the leader in each round of counting is shown in **bold** and the eliminated finalists in **red**.

In each category a runoff vote is also conducted between the winner and No Award to determine if the winner has majority acceptance.

The chart below shows what percentage of first preference votes were for No Award in each category. No category had a percentage as high as 6%.

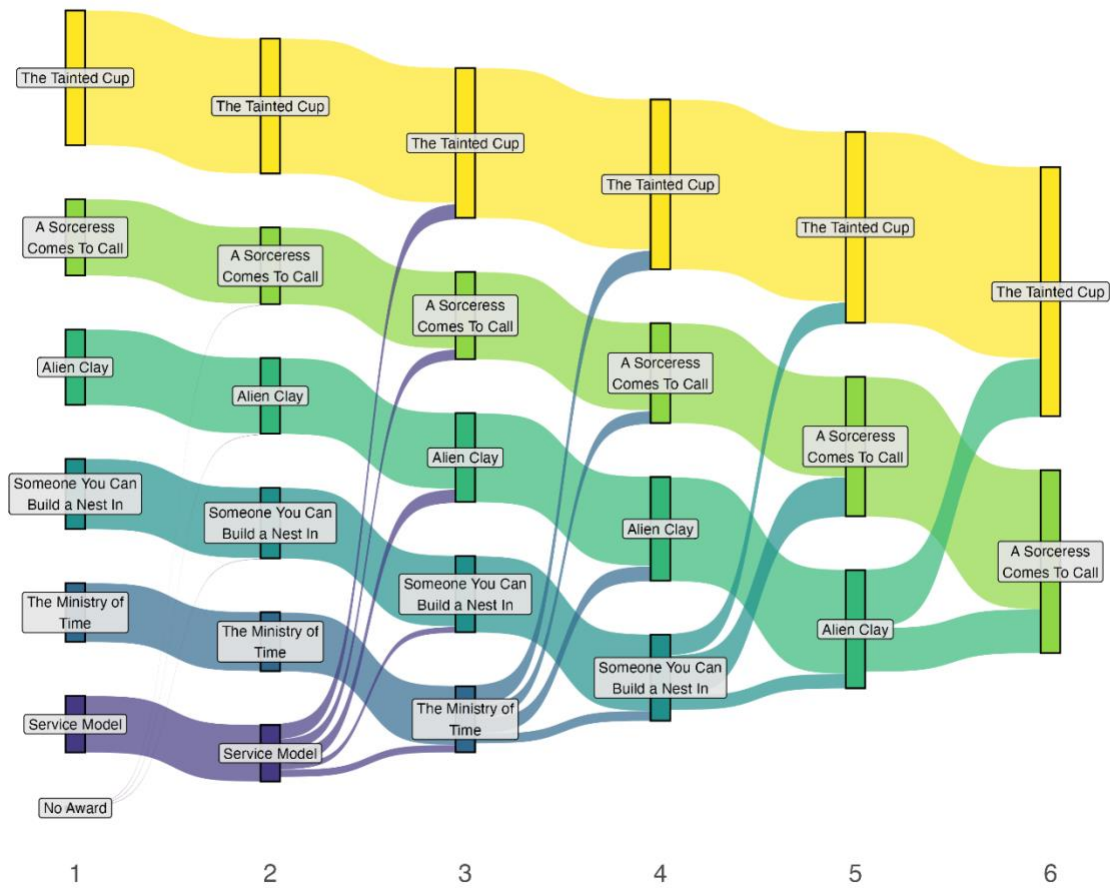

Some categories are more popular with the voters than other categories. Over 80% of voters, voted in the Best Novel category. Best Novella, Best Short Story and Best Dramatic Presentation Long Form are also quite popular with roughly 70% of voters making a choice in those categories.
